ABOUT THE MEETING

TSANZSRS 2019 will be held at the Gold Coast Convention and Exhibition Centre from 29 March - 2 April 2019.

The ANZSRS local organising committee have chosen the theme “From Force to Flow” and have invited Professor Michael Polkey as their keynote speaker. Professor Polkey is a specialist in respiratory medicine with an interest in advanced respiratory disease and lung failure. He was appointed as a consultant in respiratory medicine at the Royal Brompton Hospital in 2000, gave the Linacre lecture of the Royal College of Physicians in 2005 and was the inaugural recipient of the Moran Campbell lectureship of the British Thoracic Society. He is associate editor of the European Respiratory Journal and Clinical Science and serves on the editorial board of the Journal of Applied Physiology.

The TSANZ theme is “Respiratory Infections” and the local organising committee are currently in negotiation with Associate Professor Luke Hoffman, a pediatric professor at Seattle Children’s Hospital with a specific focus on chronic lung infections, (particularly in patients with cystic fibrosis).

They are also in conversation with Associate Professor Eva Polverino; a pulmonologist expert in respiratory infections from Hospital Clinic Barcelona.

TSANZSRS is expected to be attended by over 1000 people with a split of about 15% for ANZSRS sessions and 85% for TSANZ sessions.

Thank you for taking the time to consider the possibilities the TSANZSRS Meeting has to offer.
If you have made your choices, please complete and return the Application for Sponsorship form.
If we can assist with further information, or discussing other opportunities, please contact the
Meeting Managers.
We hope that you are as enthusiastic about the opportunities that are available in the Gold Coast
and we look forward to welcoming you in 2019.
